

Amendments to the Specification:

Please insert the following paragraph at page 1, line 1 of the specification:

This application is a national stage entry of and claims priority to PCT/EP03/06498, filed on June 20, 2003, that claims priority to German application number 10228656.6, filed on June 27, 2002.

Please replace the paragraph starting at page 6, line 19 with the following paragraph:

Test solutions E1 to E[[4]]3 according to the invention and comparison solutions [[C]]V1 to [[C]]V4 (Table 1) were prepared simply by combining various individual constituents, preferably with stirring.

Please replace the paragraph starting at page 8, line 13 with the following paragraph:

4. Testing of the foaming behavior of Examples E1 to E3 by comparison with reference solutions [[C]]V1 to [[C]]V4

Please replace the paragraph starting at page 8, line 15 with the following paragraph:

In order to test foaming behavior, mixtures E1 to E[[4]]3 and [[C]]V1 to [[C]]V4 were applied to a PVC surface by means of a grid foam spray. For optimal use, a vigorous foam that collapses 1 to 2 minutes after application to the surface should be formed from a clear solution during spraying. The results are set out in Table 4. It can clearly be seen that combinations E1 to E[[4]]3 according to the invention have advantages over comparison formulations [[C]]V1 to [[C]]V4 in regard to foaming behavior.

Please replace the paragraph starting at page 8, line 24 with the following paragraph:

Testing of the foaming behavior of E1 to E[[4]]3 by comparison with [[C]]V1 to [[C]]V4.

Please replace the table on Page 9 (Table 4) with the following table:

Mixture	Test parameter		
	Appearance of the solution	Consistency of the foam	Stability of the foam
[[C]]V1	Clear, colorless	Thin foam	None
[[C]]V2	Cloudy, milky	Medium foam	Ca. 3.5 mins.
[[C]]V3	Clear, colorless	Vigorous foam	Ca. 30 secs.
[[C]]V4	Clear, colorless	Thin foam	Ca. 5 secs.
E1	Minimal clouding, colorless	Vigorous foam	Ca. 90 secs.
E2	Minimal clouding, colorless	Vigorous foam	Ca. 90 secs.
E3	Clear, colorless	Vigorous foam	Ca. 90 secs.
